**Please submit the following supporting information:**

- four copies of a proof of ownership; and
- one original and four copies of the USGS Topo Quad(s) with the property boundaries depicted; and
- five original aerial photographs with the following depicted: property boundaries, north arrow, date, scale, and direction of flow of any surface waters; and
- five copies of the USDA Soil Survey sheet(s) with the property boundaries depicted;

and one of the following two sets of items:

either

- five copies of the certified survey information listed in *Basis of Review for Environmental Resource Permit Applications within the South Florida Water Management District, 4.5.2(a)*;

or

- five copies of the approximate delineation information listed in *Basis of Review for Environmental Resource Permit Applications within the South Florida Water Management District, 4.5.2(b)*.

Have any USACOE, USDA, DEP (formerly DER), District, or county environmental staff visited the site?  
If "yes", for each such visit, please list in the space below the agency, person(s), date(s) and (briefly) purpose(s).

Briefly describe the past and present land use activities within the project boundaries for which this determination is sought.

**THE PETITIONER MUST COMPLETE THE FOLLOWING**

I agree to provide any additional information and data that may be necessary to complete this petition.

I am familiar with the information contained in this petition, and to the best of my knowledge and belief, such information is true, complete and accurate. I further certify that I possess the authority to petition for a formal wetland and surface water determination in accordance with Section 373.421, Florida Statutes (F.S.), or am acting as the duly authorized agent of a person with such authority. I understand that knowingly making any false statement or representation in this petition is a violation of Section 373.430, F.S.

**AN AGENT MAY SIGN ABOVE IF THE PETITIONER COMPLETES THE FOLLOWING**

I hereby designate and authorize the agent listed above to act on my behalf as my agent in the processing of this petition for a formal wetland and surface water determination and to furnish on request supplemental information in support of the petition. I am familiar with the information contained in this petition, and to the best of my knowledge and belief, such information is true, complete and accurate. I further certify that I possess the authority to petition for a formal wetland and surface water determination in accordance with Section 373.421, F.S. I understand that knowingly making any false statement or representation in this petition is a violation of Section 373.430, F.S.

**THE PERSON AUTHORIZING ACCESS TO THE PROPERTY  
MUST COMPLETE THE FOLLOWING**

I either own the property described in this petition or have legal authority to allow access to the property, and I consent to a formal determination being made on the property as described in Section 40E-4.042, Florida Administrative Code. I authorize representatives or personnel from the South Florida Water Management District, after I have received prior notification, to enter the property as many times as may be necessary to make the wetland and surface water determination; and I will provide access throughout the property sufficient to perform the determination. I will attach to this petition documentation demonstrating that I am the owner of the property or that I have legal authority to allow access to the property.

**THE PERSON RESPONSIBLE FOR DELINEATING THE WETLAND AND SURFACE WATER  
BOUNDARIES MUST COMPLETE THE FOLLOWING UNLESS THE PROPERTY IS LESS THAN 10  
ACRES IN SIZE.**

I hereby certify that I, or someone under my direct supervision, have initially delineated the boundaries of wetlands and other surface waters for the above referenced project by either flagging the boundaries for a certified survey or GPS, or estimating the extent of wetlands and other surface waters on aerial photographs, prior to the District's inspection of the site.
